Thank you Mr. Russell for your thorough reply.
We did not receive or at least were unable to open the attachment that had the 17 alternate pesticides that you noted in your letter.
Could you resend that please?

Thank you again for your response.

Regards
Jude

Subject: Response to Letter on Rodenticides 50 Foot Restriction

Good Morning Dr. Van Buren,

Please find attached a response to your October 21st letter on concerns the University of Washington has about the 50 foot restriction. Please let me know if you are unable to view the attachment.

Regards,
